Getting Back on Mission:

Reforming Our Church Together

- -Frank Brennan SJ, AO

The Catholic Church has gone 'off mission'. The scandal and tragedies of clerical child sexual abuse and the cover-up by bishops is symptomatic of a deeply ailing church. Getting Back on Mission focuses on Jesus' mission for the Church; it exposes dysfunctional governance involving a grave lack of accountability and transparency, and the exclusion of the People of God – particularly women. This is a contribution to the Australian Plenary Council 2020/21. Its purpose is twofold: to get the Church back 'on mission'; and to show how that can be achieved 'together'. The reforms proposed are based on sound evidence and analysis. For Catholics wanting genuine renewal of their Church, this roadmap for change is a must-read and an essential companion book for the Plenary Council.

Getting Back on Mission is forward-looking and founded on trust in the Spirit – it is about hope. The book is available for \$29.95 from Garratt Publishing.
