### **Father's Day Tribute**

While we are unable to celebrate it physically as a parish community and hand out our token of appreciation to fathers and father-figures this year, our parish has set up a tribute page on our website to share our appreciation for our fathers virtually. In celebration of Father's Day on 6<sup>th</sup> Sept, we invite you to pen your heartfelt thanks, wishes or tribute to your father on this special occasion. Your wishes / tribute will appear on the page after our website administrator has vetted through the submission. They will also be included into our weekend mass on 6<sup>th</sup> Sept. We look forward to hearing about your wonderful fathers.

### **Thoughts on this weeks Gospel**

In life, especially at the moment, we are facing a hardship that could weaken our faith. It appears at times that our prayers are not being answered and just goes into thin air. We could be deflated by the fact that our prayers, no matter how strongly we pray and believe, in not being answered. It feels like defeat, and it is staring us straight in the face. How do we continue to maintain our faith?

When we look at the request of the Canaanite woman, we would have thought that Jesus would have been instinctive in his response to her, especially as he was asking not for herself, but for her daughter. But instead, "He answered her not a word". The Canaanite woman surely did not expect this. His disciples did not help by asking Jesus to send her away. This is not the Jesus that we know!

By testing the faith of the Canaanite woman, he was testing that "her faith, being much more precious than gold that perishes, thought it is tested by fire, may be found to praise, honour and glory at the revelation of Jesus Christ (1 Pet. 1:7). In fact, Jesus wanted His disciples to learn a very important lesson. The power of faith. Faith that everytime we pray for something, the answer is already on its way before we can even ask God. Even when it is a mere atom in our thoughts. We just need to trust God's timetable and infinite wisdom that he will answer according to His will.

We all need to have a legacy of faith. Just like the Canaanite woman, who by her

### **Expression of Interest for Sacrament of Reconciliation Classes**

Expression of interest is now being taken for preparation classes for the Sacrament of Reconciliation. Classes are for children in Grade 3 and above, studying in schools not offering sacramental preparation. Pending the lifting of restrictions on gatherings in Metropolitan Melbourne, classes are projected to run on Sundays at 10am in Oct / Nov, with the actual Sacrament held in December. The completion of this Sacrament is a pre-requisite to proceed on to preparation classes for the Sacrament of First Holy Communion. Please email [cheryl.tay@cam.org.au](mailto:cheryl.tay@cam.org.au) to register your interest.

### **A Coronavirus Prayer**

Jesus Christ, you travelled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbours from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders. Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with those who have died from the virus. May they be at rest with you in your eternal peace.

Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace.

Be with the leaders of all nations. Give them the foresight to act with charity and for concern for the well being of the people they are meant to serve. Give them the wisdom to invest in long term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us peace.

Jesus Christ, Heal us.
