Our Vision

We are a Catholic Community who profess, celebrate and witness that Jesus lives, and to whom the Father sends His Spirit. We express that belief by living out and spreading the message of the Gospel.

Ss Peter and Paul's is committed to upholding the safety and dignity of each child and young person, ensuring they are able to grow and develop in a caring and supportive environment within our parish. Visit our parish website or contact our parish office for our child-safe policy."

In the spirit of reconciliation, Ss Peter and Paul's parish acknowledges the Wurundjeri people as the traditional custodians of the land we all now share. For thousands of years they raised their families, maintained their culture and sustainably managed this sacred land. We pay our respects to their Elders past, present and emerging.

Feast Day of St Vincent De Paul— 27th of September 2020

In 1883, the Church designated St Vincent De Paul as the special patron of all charitable associations. Vincent urged his followers to bring God's justice and love to people who were unable to live a full human life: *"Deal with the most urgent needs. Organise charity so that it is more efficient...teach reading and writing, educate with the aim of giving each the means of self-support. Intervene with authorities to obtain reforms in structure... there is no charity without justice"* St Vinnies in Australia does exactly that by its commitment to actively and passionately speak out against the causes of poverty and inequality on behalf of the people they serve as well as providing the practical support of day to day living. During this stressful time, Vinnies have been supporting a lot of families. Your support has always been paramount in Vinnies being able to continue to provide this support. If you are in a position to help, please go to <https://donate.vinnies.org.au/donation-hub>—We ask that in the notes section that you please put down— Forward to East Doncaster Conference 397

Remembering, working and praying for migrants and refugees

This 2020 World Day of Migrants and Refugees (Sunday, 27 September), let's remember, pray for, and commit to working to change the horrible reality of many in 'our own backyard'. Members of Catholic Social Services Victoria and parishes across the state are making considerable efforts to assist people seeking asylum, refugees, and other migrants who hold temporary visas. Many remain in harsh circumstances in detention centres, and the majority of the 115,000 living in Australian community have been deemed ineligible for any federal government support payments during COVID-19, making many at risk of homelessness and despair.

Over the past couple of years, and increasingly since the COVID-19 pandemic, the work of the Brigidine Asylum Seekers Project (BASP) has increasingly been helping with rent and utilities payments and the provision of emergency relief money. Currently BASP are assisting about 260 people with rent and more than that with other needs. Even with discounting what BASP are paying due to some donated housing, BASP are paying about \$100,000 a month to keep people with a minimum of security. Currently, asylum seekers in Melbourne are experiencing a high level of destitution and many would be homeless without the support of groups like BASP.

CatholicCares across Victoria have seen a three times increase in the amount of people with a temporary visa seeking access to Emergency Relief over the past few months, as compared to last year. CatholicCare Greater Melbourne, Geelong & Gippsland also continues to provide other practical help to a number of asylum seeker families who receive supported housing as well as financial support for food, clothes and utility bills.

St Vincent de Paul Society is assisting people seeking asylum, migrants, refugees and international students in many different ways across the state. They are paying for rent, food, bills, education and providing support through advocacy and connection. It is not just in the cities: The Mooropna SVDP conference in northern Victoria are supporting the rent and bills of 26 families, as COVID-19 has limited work options for many who were employed in casual and precarious work.

Pope Francis in his message for Migrant and Refugee Sunday tells us "You have to know in order to understand" and "It is necessary to be close in order to serve". He also points out to us that "It is necessary to cooperate in order to build" — only when different elements of the community work together – organisations, individuals, parishes, schools and universities — can we effectively both

advocate for systemic change and provide for people's immediate necessities.

Support of our Parish

During the COVID19 period where our congregation cannot celebrate Mass, we would ask you to assist if you are able, towards the financial support of the Parish by ensuring your pledged support or your regular weekly contribution is received. You are now able to go to our website, and on the home page is a link to CDF Pay. You will be able to make your weekly/monthly donation this way. Please however remember to put your envelope no. or full name down so that we can trace your donation.

Contact the Parish Office for further advice on how.

A Coronavirus Prayer

Jesus Christ, you travelled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbours from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders. Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with those who have died from the virus. May they be at rest with you in your eternal peace.

Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace.

Be with the leaders of all nations. Give them the foresight to act with charity and for concern for the well being of the people they are meant to serve. Give them the wisdom to invest in long term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us peace.

Jesus Christ, Heal us.
