Leading a Missionary Parish

In July and August, Fr. Jerald and Cheryl attended a series of talks by international speakers (clergy & lay) on Leading a Missionary Parish, that was organized by the Archdiocese of Melbourne. These talks have now been made available online, and can be viewed at https://www.youtube.com/playlist?list=PLP4Pb34ThQ35ciPQg_DpTsP1JoN6HZ_AC. We encourage you to watch these videos as it provides some renewed ways of thinking about how parishes can bring people to encounter Jesus and proclaim the Gospel. We would love to get some parish conversations going on how our parish can grow to become a missionary parish, and how each of you can be an integral part of that growth. We also encourage you to sign up for two upcoming talks organized by the Archdiocese on "Growing missionary disciples in your parish" and "Making missionary disciples in our parish". See the flyer in the newsletter for registration details.

A Coronavirus Prayer

Jesus Christ, you travelled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbours from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders. Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with those who have died from the virus. May they be at rest with you in your eternal peace.

Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace.

Be with the leaders of all nations. Give them the foresight to act with charity and for concern for the well being of the people they are meant to serve. Give them the wisdom to invest in long term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us peace.

Jesus Christ, Heal us.

Archbishops message this week.

In this week's message to the community of faith in Melbourne, Archbishop Comensoli invites us to recognise how we are each participating in the life of grace during the pandemic despite being denied this opportunity to receive the Lord in the Eucharist. 'Let us find ways of coming back to the source and summit of our Christian life as we call the Eucharist, and that we might be able to come back to the receiving of the Lord in Holy Communion. But we are not deprived of our baptism, or our confirmation.' For the full message please go to <https://youtu.be/rFmLhgcwnn0>.
