## The Feast of the Holy Family 26th and 27th of Dec

### Our Vision

We are a Catholic Community who profess, celebrate and witness that Jesus lives, and to whom the Father sends His Spirit. We express that belief by living out and spreading the message of the Gospel.

### Child Safety Policy

Ss Peter and Paul's is committed to upholding the safety and dignity of each child and young person, ensuring they are able to grow and develop in a caring and supportive environment within our parish. Visit our parish website or contact our parish office for our child-safe policy."

### Acknowledgement to Country

In the spirit of reconciliation, Ss Peter and Paul's parish acknowledges the Wurundjeri people as the traditional custodians of the land we all now share. For thousands of years they raised their families, maintained their culture and sustainably managed this sacred land. We pay our respects to their Elders past, present and emerging.

### Contact tracing and prebooking for masses.

We want to thank all our parishioners for your patience whilst we have asked you to prebook for masses in order for us to comply with our contact tracing responsibilities.

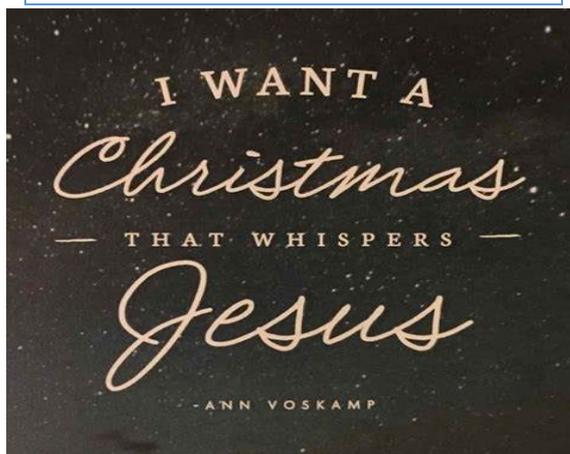

From the 1st of January 2021, we will be introducing a new system for our contact tracing. This will involve parishioners downloading an app called 1Breadcrumb. Full details are in the newsletter.

- Download 1Breadcrumb from the app/play store.
- Accept the terms and conditions.
- Fill in your profile information. Basic information is fine as long as your name and Mobile no. is in there.
- Once you put your mobile no down, 1Breadcrumb will send you a 6 digit code. Please input this code to verify your no.
- You will then need to create an 8 character password.
- Once done, please scan the QR code which is in the newsletter- this identifies the church.
- Once done, please do not shut the app down. As the Church is Goefenced, this will automatically know you are in the church. This is a one off process. Thereafter, as long as your app is running, every time you enter the church, you just need to check in on the app and this can be done at your seat saving time and queue's in the foyer.
- **If you can't download the app or QR reader, the Covid Captain will be able to take your details down quickly so please do not worry as we will still have the paper system going.**
- As long as you have this running by the 1st of January, as you enter the church, just indicate that you have the app and you will be able to go straight through. If you do not have the app please let the Covid Captain know.
- Any issues email the Parish Office on doncastereast@cam.org.au

**With this system the requirement for pre booking is no longer required.**

**Please note the requirement for a face covering is now optional as we comply with the distancing rules.**

**We do however still need to comply with the seating capacity in the Church which is 120 in total. We regret that once we reach capacity, we can't allow anyone further in.**
