A reflection on St Joseph by Pope Francis

Work is a means of participating in the work of salvation, an opportunity to hasten the coming of the Kingdom, to develop our talents and abilities, and to put them at the service of society and fraternal communion. It becomes an opportunity for the fulfilment not only of oneself, but also of the primary cell of society which is the family. A family without work is particularly vulnerable to difficulties, tension, estrangement and even break-up. How can we speak of human dignity without working to ensure that everyone is able to earn a decent living? ... Let us implore Saint Joseph the Worker to help us find ways to express our firm conviction that no young person, no person at all, no family should be without work!

Pope Francis, *Patris Corde*, § 6
