### Our Vision

We are a Catholic Community who profess, celebrate and witness that Jesus lives, and to whom the Father sends His Spirit. We express that belief by living out and spreading the message of the Gospel.

### Child Safety Policy

Ss Peter and Paul's is committed to upholding the safety and dignity of each child and young person, ensuring they are able to grow and develop in a caring and supportive environment within our parish. Visit our parish website or contact our parish office for our child-safe policy."

### Acknowledgement to Country

In the spirit of reconciliation, Ss Peter and Paul's parish acknowledges the Wurundjeri people as the traditional custodians of the land we all now share. For thousands of years they raised their families, maintained their culture and sustainably managed this sacred land. We pay our respects to their Elders past, present and emerging.

## Thank you from Caritas Australia

### Your impact this year: The work Caritas Australia and our partners carried out in 2022

2022 has been an incredibly difficult year for vulnerable communities around the world. From the war in Ukraine to the food crisis in Africa to devastating floods in Asia, it's often the most marginalised people who are impacted.

Yet, despite these challenges, we have witnessed the extraordinary courage and resilience of displaced families and people living in marginalised communities as they confront the challenges of conflict, poverty and injustice.

### Emergency response to crises around the world

Your kindness has helped support vulnerable communities living through emergencies such as war, food insecurity and natural disasters. Thanks to you, we have been able to provide assistance where it has been needed the most, supplying essential services including shelter, water, food and medication.

Between 2021 and 2022, you helped reach out to 378,435 people experiencing humanitarian emergencies through Caritas Australia funding, and 999,031 people through joint appeals with Caritas Internationalis. Additionally, we were able to respond to 34 emergencies in 23 countries. .

**Your support means we can continue to walk alongside communities worldwide to build a better and brighter future for all. Thank you**
