Child Safety Policy

Ss Peter and Paul's is committed to upholding the safety and dignity of each child and young person, ensuring they are able to grow and develop in a caring and supportive environment within our parish. Visit our parish website or contact our parish office for our child-safe policy."

Acknowledgement to Country

In the spirit of reconciliation, Ss Peter and Paul's parish acknowledges the Wurundjeri people as the traditional custodians of the land we all now share. For thousands of years they raised their families, maintained their culture and sustainably managed this sacred land. We pay our respects to their Elders past, present and emerging.

Founded in 1991 and based at Ss Peter & Paul's for the last 6 years, we are a chorus with a passion for A Cappella barbershop harmony singing.

Over the past 30+ years, we have committed ourselves to producing a professional standard of music.

But most importantly, we have created a strong sense of community and inclusion with our members.

As we get older, our members realise the importance of singing for joy and singing for our health.

As a Victorian Seniors event, an invitation is extended to hear us in action and join us for a light supper.

Carmelitae Sancti Eliae (CSE), Daughters of Carmel and Holy Trinity Community.

Established in 1982 by Fr. Yohanes Indrakusuma in Malang, Indonesia, the Daughters of Carmel (sisters) represent the first order, followed by the Carmelitae Sancti Eliae (brothers and priests) in 1986, and the Holy Trinity Community (laypeople) in 1987. These three orders embrace the core spirituality of the original Carmelite hermits, infused with the Charismatic Renewal.

Renowned for their ministry in spiritual guidance, including retreats and the management of spiritual centers, both CSE and the Daughters of Carmel jointly oversee seven such centers. The largest among them is situated in Cipanas, West Java, just a two-hour drive from Jakarta, the capital of Indonesia. In addition to their spiritual guidance, these organizations are recognized for their healing ministry, regularly drawing as many as 5,000 pilgrims to Healing Masses in Cipanas.

The Holy Trinity Community, with over 13,000 members across ten countries, extends its reach worldwide. In Australia, HTC has firmly established itself in Melbourne and Sydney since the late '90s. It collaborates with CSE and the Daughters of Carmel to host annual retreats and actively engages in ministering within local parishes, operating under the guidance of local bishops.
